

Mariahsachin Stone of Faith
Ephesians, Chapter 2. Stone of Faith Discussion
Short Version

Mariahsachin practice: rock study, Compiled 2-25-25

Yesterday's class showed that there was once again more data than time allows to discuss. So, this is an addendum to the Ephesians, chapter 2 stone of faith discussion we had at church.

Dear God, You are the One who writes our story. You are the One all points to. Please guide us in this study to know You, Jesus and us better. Thank You for coming to play with us today. Today we will reflect on the Book of Ephesians and see your will. I have received Christ as my savior, I am a chosen person. I come to the living Stone, who has made me a living stone. He is building me into a spiritual house, a temple of the Lord on earth. Teach me how to pray the big outrageous prayers that You designed me to pray. Today I paint as a holy priest, king and anointed one. I offer this time as spiritual sacrifice to minister to You, Lord our God in heaven.

In this class we are studying the believer's authority and the need to upgrade your prayer style to witness the changing time; where God is bringing glory to earth and our walk with the Godhead. Heaven is on earth now like never before. Freedom that never tasted so good. A revival that was to be in the 1960s but the church stopped it. It will not be stopped now. It is our job to stand in the will of our God and use our sword of the Spirit to reinforce God's will on earth. So don't let the revival fail. Pray boldly into it.

First of many questions today. What is the burden God has put on your heart to pray for? Get your notebook and write it down. For myself it is to teach of the goodness of God in our day. Many say it is the trafficked children, the family, the lost, the mutilated trans, the great commission, the prisoners or governmental over reach.

If you don't see that change you have been praying for, are not alone. Never the less it is here. It is time to call it in. Bring heaven down to earth now. Your prayers and intercessions are heard and are being acted upon. Now is the time. You are born for a time as this for a reason.

Today we will do a very deep dive into the "Stones of Faith". Well because I am still in 5th grade, (Ha Ha) I think of my grandchildren that always take things to their lowest common denominator, like the "family jewels". The Stones of Faith ask us to step up and show up boldly. Do you have the courage? Hopefully this video will spur some in you. So, we played this video several times. @desiringholy https://www.tiktok.com/@desiringholy/video/7239387734110948650?is_from_webapp=1&sender_device=pc&web_id=7471392585908684319

She did an excellent job of so much. If you were not at class, watch it several times to grasp it all. The commentary in it will color the whole discussion for today. What God has burdened you to pray for is your calling. Find your courage in Him.

Rocks and stones are mentioned in the Bible in many ways, including as symbols of strength, endurance, and God's reliability. But the boldness in which we follow our God, needs to be the strongest foundation. Her boldness is clearly seen. She is standing on the "Rock of Ages" to have that much fortitude. Spend a few moments to reflect on your calling and write it down in your notebook. Don't be afraid. Ask God to give you a calling and show you what to do. Remember we are taking baby steps.

Elementary steps in conversation to build up a sincere foundation in the conversation and the language of painting in the Spirit.

In chapter 2 of Ephesians the last verse, we see Jesus Christ is our cornerstone. We are not only the body of Christ church but the living temple of Himself and Holy Spirit. The spirituality of the New Testament requires us to be stones too. We must be bold in the word and in our vision and our voice with the will of God. *Scripture, 1 Peter 2:1-5*

I like to say, “a living prayer”; the bedrock of our existence as priest, kings and rulers of the earth through the will of the LORD and Jesus. Through His almighty power. We learn the will of God. Right now, He wills that we see - His hand in our time. That we take back what was stolen and multiply it. All symbolism and the voice of His heirs. Your voice. You can stand and stand and stay. You can take ground and restore the relationship of you and your country to God’s will. You can find a deeper and fuller relationship with you and the Godhead.

When you paint you are talking with God and if He asks you to reflect on a stone or paint 5 stones. It is imperative to know what He is referring to. I am writing this to help you see the intertwine thoughts about Himself, you, rock, stone and gems in the bible. Where does it take you? I have so much to say about this. I will be adding footnotes to help you expand your reflection. Where are 5 stones in the bible. You know David the giant slayer. Why did he need 5 stones? Hopefully by the end of this lesson you can answer that question.

All bible stories are for now. We need to take that story and reflect on how that story is relevant to today. In my Prophetic word of August 15, 2025, God said, once again all the giants are falling. You can get that book of the prophetic word free by downloading it at <https://www.shekinahglorycircle.com/downloads/> color draft.

Remember God is the only authority of anything. You can ask God for more or to explain that concept. What I humbly want for you today is to ignite your reflection. I want to show some keys to reflect on.

Key: a stone is revelation. Whether it is a stone of fire or a pebble, it represents a revelation, a truth. Life is a roller-coaster of revelations. Enjoy the ride.

Terminology and symbolism are so important in using your creative as a language. As we move into a new age of glory days, we need to have an upgrade in our thinking and upgrade in our prayer and authority. Full clarity on the definition of sovereignty. A foundation on the word of God to see the full meaning of his symbolism. Like the evil ones stole the rainbow. We know it is only God’s. It is proof of His undying love for us. We must reclaim all. We are claiming all that the evil ones stole, back with repayment 7 to 100 or more times. We reclaim the devil’s backbone rock structure in Loveland Colorado back and rename it. It is not his.¹ Like Trump reclaimed the Gulf of America. Words matter. What you utter, whether from your mouth, a pen or a paint brush, you are creating in the physical terrestrial realm and in the spiritual realm. We co-create with God constantly.

¹ See word from January 2025 Mary Leonard. Addendum 1, Prophetic Word for January 2025 (Unite My churches. It is very important. STOP BAD MOUTHING OTHERS. That is fueling the evil in My courts. Your words feed the rebellion of the fallen angels. The denomination bigotry must stop. Take ownership of all. Words matter. Words create! The baal worship must end and the names of things must change. Like the devil wants a backbone. That is why he is torturing you. But he will never have one. So don’t give him one on My land. Rename the rock structure you gave him; it is not his. The Loveland, Colorado, Devil’s Backbone is a lie. Many names will need to be changed, start there.)

I received Jesus at 4 and was taught to painting in the Spirit regularly at 12 years old. I found Holy Spirit was the best teacher ever. That is why I know you can do it too. Ask Holy Spirit to indwell in you and ask Him to teach you to use His language to praise and worship and learn about the goodness of God. *Scripture, 1 John 2:27*

Having come from some more legalistic forms of Christianity I have learned we do not need to wait on the pastor or the priest to teach us. We have God, Himself teaching us. Therefore, paint with that expectation. It is time to get your belief systems and your preconceived artist rules out of your head and heart and ask God. *Scripture, John 7:37-39*

It is this living water that will flood your paintings. Your anointing that Jesus gave you when you received Him, will open up and freely flow. Now that we are through the Spiritual Red Sea, we are looking for the living water. It is already inside of you. Learn how to activate it.

Key: focus on the stone as a truth.

Who is this verse talking about? You were in Eden, the garden of God; every precious stone adorned you: carnelian, chrysolite and emerald, topaz, onyx and jasper, lapis lazuli, turquoise and beryl. Your settings and mountings were made of gold; on the day you were created they were prepared. 14 You were anointed as a guardian cherub, for so I ordained you. You were on the holy mount of God; you walked among the fiery stones. 15 You were blameless in your ways from the day you were created till wickedness was found in you. *Scripture, Ezekiel 28:13-15*

Key: the stone as God.

Here God is our leader of the battle. He gave the commands to know what to do next the walls of Jericho were stone and high and wide. But the army of the Lord came to help defeat the city and hand it over to Joshua. If fell. *Scripture, Joshua 6:5*

Here God is our everything. The all in all. *Scripture, Psalms 18:2*

Is it interesting that the enemy likes to copy all of God's creation to make it look like it is his. Yes, only for his evil self, makes stone idols to pretend he the evil is good. All stone idols are not for, or of God. Including porcelain. Don't pray to them or worship them. Don't allow them to be desensitizing you too evil. *Scripture, Acts 17: 29-32*

As we start to be more assertive in our prayer life, I would ask you to consider this bold prayer as an example: I declare and decree that Planned Parenthood is no longer. Planned Parenthood is gone from the face of the earth never to reestablish itself. We decree that the focus on children will return to God's plan. Couples will see the wisdom in waiting to have sex until married and they will quickly anticipate children from the Lord. Children will be considered blessings and a big part of a fulfilled life again. The wounds of abortion in humanity be healed and the birth rate increased. The enemy of our souls will be bound from the womb. We bind anything that comes against the full live birth of God's children. We lose abundant life to the glory of God be the only thing allowed on earth. In the name of Jesus. Amen and Amen

The phrase "Rock of Ages" appears in the Bible in Isaiah 26:2 and other places. It's a metaphor that refers to God as a constant, faithful, unshakeable shelter and source of strength. *Scripture, Isaiah 26:2, Isaiah 26:4, Deuteronomy 32:4, Psalm 62:1-2.*

Key: symbolism is conversation.

Much is in the bible and much you need to look at with other historical data to totally comprehend the full picture. Like the truth of giants. To fully comprehend which giants, are falling now? The old testament is a physical picture of the spiritual realm now. In the New Testament life, we no longer fight our battles alone. The battle is the Lords and He has already won it. But we are to participate in our upgrade of life, by co-battling with Him. We surrender the battle to Him and He asked us to take the next right step together. Hence the reason we need to hear him. The reason we constantly ask Him for help, for armor, for protection, for healing, blessings and love. We are keeping the conversation real and fresh.

We fight our battles with the Trinity now in a spiritual realm. The same battles that have been waged since earth began. How do the same evil spirits of old play out today in our physical realm? We must know the spirit of confusion, disease, deception and sin when we see it. The tax² system is one, the government is another, there are so many it is hard to list them all. But the spirit of evil is designed/disguised so we fail to see it at first. They want to deceive you into baal worship without your understanding. It is to tear you down in all ways, so you will comply that they can destroy you.

What are the giants how do they rule you? What is an idol how did you invest without even understanding it was not real? Have you seen the shaking. The shaking loose of the things that keep you from God? The negative talk, the gossip, the snide comments about your work mates? Those are the giants. When God talks about the giants are falling. He is talking about any stumbling block. Any system the evil ones have created like Walmart, Comcast or Instagram. Some seem benign but they are not. Convenience is not for your soul; it is to enslave you. For instance, is your dead-end job part of your never getting ahead? But getting fired looks like a bad thing. What as you reach for God's ways, you will refine yourself and find His perfect path. Is the confusion of the sexes part of the removing of your focus on God? Making yourself or the medical practice, a god? You got rejected for trans surgery; it looks like a loss. Yet it was a winner in the long run. We stand on the truth or the rock that God wins. God has a plan for your life. God set your foundation on the cornerstone of Jesus.

As I teach abstraction, I hope it will push your walls and self-imposes boxes down. Open you to new freedom of thought. The mind of Christ is needed to see the evil under our feet. As we take prayer authority, we must know the will of God. Jesus always prayed first to get God's will before healing or doing things in the bible. The bible is your manual for life. The bible is the word of God and the will of God. What do we see as good that really is not? How is the evil dulling and frustrating your prayer life? Can you imagine the joy we are going to feel soon when the prayers of our ancestors with our own prayers are answered? This video compels us to ask, are we praying for a giant? It takes abstract thinking to see the many facets of that reality.

If you are praying for abortion rights, you are praying for giants. If you want to let open borders exist, you are praying for giants. Ask why? In Psalm 139 God knit your soul and your body into your mother's

² <https://rubble.com/v5mhvuz-god-wins.html> "Slaves no more. Slaves no more." The Lord is releasing us all from bondage. From a freedom that was fake through and through. From a freedom that was declared yet not ever realized. A freedom from a spiritual realm dictator. A worldwide terrorist was inhabiting a few bad men and women at their desire for power and money. ...

womb. Not your parents. The trafficking, of women, slaves and children, is the main purpose of open borders. Don't say no. It is a fact. Millions of children are missing due to decades of open borders. According to the government, every 40 seconds, a child goes missing or is abducted in the United States. Approximately 840,000 children are reported missing each year estimated by the F.B.I..

As you dive deeper into the heart of God you will see His sorrow for the state of the world. You will start to feel what your maker feels. You grow in a deeper understanding of the plan evil has for you to get trapped in. So, if you can't see that the killing and dismembering of a soul in or out of the women is against its maker. Don't fear. Open your heart to more knowledge of how awesome God is and you will start to see evil want to be your god but he can't be ever. God has your back. Just look at the awesomeness of god. Look and be grateful. He will show you His love and blessing.

We are now turning things around in the world thanks to Gods hand moving. All glory to God. We must never let it happen again. We need milestones like after the Exodus from Egypt the tribes placed an alter to God and took a large stone for each tribe to mark the great feat of their God. Exodus 4:4-9 the marking stones, to remember what God had done. Also, Exodus 28 are the gemstones of the priesthood in Isreal. It is critical for your children that you teach them of the goodness of God and how He saved us in our time. That way they wouldn't allow this to destroy their lives next.

We need markers to mark the great achievement of God in our time. Stones to show our children what not to do. How did this happen under the watchers' eyes? We can see as we take God out of our life, we no longer saw God as the one who makes babies. The enemy of our souls tried to convince us we were little gods. All giants will be idols to someone. Little gods like government, money and even yourself, anything that can take God's place. Proof is the magnitude of infertility; humans are not the maker of a baby. So, we must ask why? Why does evil want our babies? We can only look to history to see. Remember it is a spiritual battle for your soul. We see in the Mayan religion they sacrificed their babies and also in many other time periods. <https://mayansandtikal.com/mayan-religion/> and <https://mayansandtikal.com/mayan-religion/mayan-sacrifice/> These are the same demonic spirits of then, here now. They don't die. They stay and destroy if you don't take charge like you were commanded to do. America gave into to the lies. The enemy of our soul is always trying to steal your destiny to lie, kill, steal and destroy.

Like the giants in the video above a few pages, are you praying to save a giant? Are you voting to save a giant? Are you not celebrating you have no job because you have not yet seen the new direction of your freedom that God is taking you next. You must set you faith on the rock of God. The whole book of Ephesians is about your relationship with you, God, others and evil. In painting in the Spirit, we ask an abundance of questions. We take note of God's answers. We paint in the Spirit to hear the will of God. To learn the voice of God in all things so when we need help. We know where it comes from and how to access it.

I am so clear that many of my unanswered prayers are blessings. Praise the Lord always. Does that stop me from praying the big prayers? No! because God is wiser than I and He will do the good thing. Like we think helping the refugee camps for decades is helpful but it is just harming lives. In prison camps that would not be allow to exist if they were called prison camps. The enemies use words to confuse us. We need to use word to create God's plans. *Scripture, 2 Timothy 1:7, Proverbs 13, Isaiah 55 6-9,*

1 Thessalonians 5:16-22 16 Rejoice always, 17 pray continually, 18 give thanks in all circumstances; for this is God's will for you in Christ Jesus. 19 Do not quench the Spirit. 20 Do

not treat prophecies with contempt 21 but test them all; hold on to what is good, 22 reject every kind of evil.

We learn to understand our nature/mankind's nature, God's nature and the world's nature. This knowledge helps you find the path to goodness. *Scripture, Hosea 4:6, Exodus 20:4-6*

Can you imagine heaven and the crystal see of gemstones? As we explore what heaven might be like we see stones are important there also. I have heard people who return from heaven say Jesus eyes are like fire and stones. *Scripture, Revelation 4:2-6*

Let us look at more stones and rocks. This pearl, rock, diamond is the foundation of faith. Faith that what God said is true. That you are saved by the sacrifice of Christ. You were willing to sell everything to stay in His ways. That you will change your ways to goodness. You will surrender to a new life in Jesus, abandoning the ways of the world. So that you can live in His kingdom on earth now. God made all that is good. Like babies and humanity. The glory goes to God. *Scripture, Matthew 13:44*

The white and the black stone. In the ancient world, a white stone meant judged free from guilt, and a black stone meant guilty and condemned. The white is good things like a new name and an innocence verdict thanks to Jesus Christ sacrifice. Whereas, the black stone renders guilty verdict due to the choice of evil.

Colors of the object are important. The numbers of the shape are important. The conversation with God about what you are painting, is the greatest of importance. What is He (God) trying to show you? If you don't know you need to research it. Names matter. If you ask, what should we call it and He gives you a name write it down but don't just ignore it. There is meaning in that too. Like six months before the Hurricane Katrina, I was given a cool painting. It was small like one of the echo paintings. I heard the Moon Over New Orleans and it was clearly a flood scene with a hallowed moon. But it never occurred to me it was a painting of the aftermath of Hurricane Katrina. But later I could see it. *Scripture, Revelation 2:17*

Seeds and harvest are built in stone. What you plant you will reap unless God intervenes and you ask for a crop failure.³ Each generation has the opportunity to fight their anti-Christ. But we know the cornerstone by His works. The fruits of His works are salvation and deliverance.

Often, I hear students saying, all those names, why do I need them. I think all those names put things in to perspective. How many generations did it take from Ruth to Jesus. We know she was a Moabite princess. She was redeemed by Boaz the son of Salmon and Rahab the prostitute from Jericho from Joshua 2.

Two non-jews known as gentiles and still a David and a Jesus. There are 30 generations from Ruth's generations to Jesus. The concept of Bethlehem being the home of David and all generations need to come back to pay taxes. Foundational knowledge that comes from exploring the word of God. Also, it shows you the nature of God.

Here are generations in the family tree of Jesus. From Ruth to Jesus are 30 generations.

³ <https://www.mariahsachin.com/day-7-the-seed-harvest-and-time> The seed of the Antichrist is still waiting to be born. We just have the spirit of the Antichrist.

Eglon, Moabite King that hated the Jewish people was the father of princesses Orpah and Ruth.
Scripture, 1 Samuel 17:37

Here David consults God first!!! He stands on the truth of God's past history of helping him. He trusts in the Lord. Later in *Psalms 18:12* He will sing "The LORD is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold." He stands and stands and stays. Then he moves forward in the perfect timing of the Lord God. At the end of Ephesians and we explore the many layers of the armor we will use this concept again.

Then the truth of his ancestry comes forth. The picking up of the 5 rocks mattered. Why 5 rocks? Why the head? What is a Philistine? Why is he a Philistine, when his mother was a Moabite? I love this guy's channel he has maps and history <https://www.youtube.com/@IsraelMyChannel> that explains where the Philistines came from. And that they are now all dead. No relatives. This is why you need a journal. This is why often we write more than paint. The questions are more important than the answers. Because sometimes the answer to the question is in the question. Yes, very abstract but still true. *1 Samuel 17:43* King James Bible And the Philistine said unto David, Am I a dog, that thou comest to me with staves? And the Philistine cursed David by his gods.

But yet we ask ourselves why would he say that? Until you explore it further you are unaware of what was common knowledge at the time that David and Goliath were cousins. We see the condition of the hearts of the 2 women. One a heart of stone and one a heart of love. We even see that as the 5 stones took out Orpah's children and grandchildren. It is also said, "She died on the battle field with the last one."

1 Scripture, Samuel 23 David Saves the City of Keilah 23 Now they told David, "Behold, the Philistines are fighting against Keilah and are robbing the threshing floors." 2 Therefore David inquired of the Lord, "Shall I go and attack these Philistines?" And the Lord said to David, "Go and attack the Philistines and save Keilah." 3 But David's men said to him, "Behold, we are afraid here in Judah; how much more then if we go to Keilah against the armies of the Philistines?" 4 Then David inquired of the Lord again. And the Lord answered him, "Arise, go down to Keilah, for I will give the Philistines into your hand." 5 And David and his men went to Keilah and fought with the Philistines and brought away their livestock and struck them with a great blow. So, David saved the inhabitants of Keilah.

Scripture, 2 Samuel 21:16-22 And Ishbi-benob, one of the descendants of the giants, whose spear weighed three hundred shekels[a] of bronze, and who was armed with a new sword, thought to kill David. 17 But Abishai the son of Zeruiah came to his aid and attacked the Philistine and killed him. Then David's men swore to him, "You shall no longer go out with us to

battle, lest you quench the lamp of Israel.” 18 After this there was again war with the Philistines at Gob. Then Sibbecai the Hushathite struck down Saph, who was one of the descendants of the giants. 19 And there was again war with the Philistines at Gob, and Elhanan the son of Jaare-oregim, the Bethlehemite, struck down Goliath the Gittite, the shaft of whose spear was like a weaver's beam.[b] 20 And there was again war at Gath, where there was a man of great stature, who had six fingers on each hand, and six toes on each foot, twenty-four in number, and he also was descended from the giants. 21 And when he taunted Israel, Jonathan the son of Shimei, David's brother, struck him down. 22 These four were descended from the giants in Gath, and they fell by the hand of David and by the hand of his servants.

Scripture, Ruth 1:14 At this they wept aloud again. Then Orpah kissed her mother-in-law goodbye, but Ruth clung to her.

Often, we died on the mountains we make for ourselves. Particularly if it is an idol. If we are walking in God's ways, we have the blessings of the promises. Like He commands His angels to watch out for you to not strike your foundation, your foot. Against a stone, a revelation that you have not understood or seen. A truth you were deceived by. *Scripture, Psalm 91:11-12*

We are diamonds in the rough. Each test or trial is a finishing of your facets. Refined in the battle with God not against God. With His help if you ask. The battle is the Lord's but we have apart in it.

We remember what God has done for us. The sacrifice of Jesus for forgiveness of sin and salvation. That we build only alters to God the Trinity to minister to Him. In Elijah's day, the prophet had to rebuild the alter due to disrepair and abandonment. So, it is with us. We must rebuild the alters in our heart. Painting is a great way to start that process. Be intentional. Be consistent. Spent time in the word and with Him. We take the time to praise, worship and study before the session of painting to get in the zone or the secret place with the Godhead. *Scripture, 1 Kings 18:30-32, John 10:32, Ephesians 2:10, Ephesians 2:20-22*

Biblical Rocks

God's nature: Rocks are a symbol of God's strength and reliability.

Challenges: Rocks represent the walls, boxes and challenges people experience.

Refuge: Rocks represent a place to escape the hardships of life, shelter in the storms of life.

Foundation: Rocks the foundation of faith.

Resurrection: Rocks represent resurrection, transformation and eternity.

In conclusion, because of your decision to receive Christ as your savior, you are a chosen person. Therefore, you come to him, the living Stone, you also, become a living stone. Thus, begin to be built into a spiritual house, a temple of the Lord on earth. Now you can pray the big outrageous prayers that you were designed to pray. You are a holy priest, king and anointed one that offers spiritual sacrifices to minister to the Lord our God in heaven.

This week's homework: please review the Ten Armor Pieces of God. We will be answering questions about them next week.

1. Stand. Stand up straight. Stand strong and firm. Do not let what you see allow yourself to fear. FEAR IS A LIAR! So, stand against, fear always. Then stay! God showed me a sewing stay and said, "Stay." God's timing is always perfect. His ways are higher and so are His thoughts better. We can stand and stay! Praise the Lord. Learn to stand up, talk and be honorable. Watch and know God is with you always.
2. Price tag purchased by Jesus. The price tag is to be hung above your bed to remind you of your identity all the days of your life. The price, He paid was His sacrifice of blood, sweat and tears. We say, "I plead the blood over all in my life" Which means the enemy see the blood in the spiritual realm and says "Oh He is off limits. I can't touch him or his stuff. He belongs to Jesus." He bled in the garden, the strips, the crown, the pierced side and His death on the cross. So, we thank Him for His love and removing the evil curse from Adam.
3. God gave you a Belt of truth with the price tag on it. So, you can see He paid for you. You are always His. The belt is to hold all the other armor together. The belt of truth is the truth you received from the heavenly realm. Not the truth of the world, it lies. You are not of the world nor ruled by the world. You are of the heavens and the give of freedom, liberty and God given rights are all yours. The truth in the bible and in the conversing with the Trinity are truth. The Truth is that we are anointed and appointed, priests, kings, and God's chosen people. Chosen to rule and reign with him on earth as it is in heaven. Not for later but for NOW. For the stones would immediately cry out and the earth awaits to coming of the children of the Lord. All creation a wait in eager expectation for the children of God to be revealed. You my son are a child of the Lord now. Be revealed.
4. Breastplate of Righteousness - The righteousness cannot be earned. It can only be given by Jesus through his sacrifice. We are righteous. White as snow. Not by our actions but by Jesus' actions. The free gift of healing the divide between Heaven and Earth. Now restored. The breastplate of righteousness places you in a right relationship with the Trinity. It covers your lungs and your heart to protect your soul and your spirit. We stand in righteousness so we are protected from temptation — We must declare and decree it away. We rebuke the enemy at any sign he is in action. Using the name of Jesus. The enemy and his demons must flee. Praise the Lord. As Elisha prayed, and said, "LORD, I pray, open his eyes that he may see." Then the LORD opened the eyes of the young servant man, and he saw. And behold, the mountain *was* full of horses and chariots of fire all around Elisha." I too pray your eyes and hears are open to hear and see all the Lord would want you to hear and see of the Kingdom on earth now. Be blessed in this and all the armor.
5. Banner of Jesus, Jehovah Nissi you are our banner of Lord. In Exodus 17:15 "you delivered your people, you were the provision, you went ahead of them and cleared behind them." Benji now Jesus has a pro-vision of you. He knows the plans He has for you. I declare for you Benji, "You are my God and you do deliver me with abundance and clear good vision of my future. Show me your glory and your character. Lead me to be more like You Lord, every day. I trust in your oh my God."
6. Mantal of Glory and Good Works We are moving into the days of glory, The new missionary's and traveling preachers will be wearing green, for the Lord is doing a new thing in our time and they will be going forth proclaiming the glory of God is all around us. Benji proclaim to the trees and the rock and the deer and the chicken. God is good. Jesus heals and The glory of God is all

around you. Praise the Lord. Titus helps us see we need to be ready to obey and do the good works God has for us. Faith without works is unserviceable. We are His workmanship, created in Christ Jesus for good works, which God prepared beforehand. It is our great honor to be of service to the Lord. We save time in each day to allow God to use us and to give the Glory to Him. To allow the miracle to be coming forth because you showed up and God could use you. We subdue the earth and multiply. We tend to the animals and watch for an evil to put it down. The enemy can't not take our kingdom land or animals or people. They must flee in the anointing and name of Jesus the name above all names. Amen and Amen, I agree and So it is.

7. Shield of Faith and Wrist Guards, For us to take up the Shield of Faith is to stand in our belief that God is unlimited and will fulfill His promises. For this, we must know what His promises are. We see the fruits and gifts in His will for us now. We engage our faith to pray the big prayers and know His will is possible. We must ask to receive it. God is RE-creating in the creation of each day. As the Truth of Faith extinguishes the flames and schemes of the enemy, we can no longer see the idols of this time as harmless. We must speak to them. We must send our angel armies to tear down the strongholds and replace them with the Holy Spirit anointing. We understand that we have the power through the resurrection and the inheritance of Christ. We must have that courage to teach our children, so they see purpose and their purpose. The Shield of Faith allows God to set your destiny for you. The wrist guards show your character, are you bold, courageous, faithful, discerning? As you lift up your hand and fling off the arrows of evil you say in Psalm 91 the Lord tells me a thousand (viruses, sicknesses, evil schemes) may fall at your side, ten thousand (lies, trickeries, confusions) at your right hand, but it will not come near me. For the Lord will command His angels concerning me, to guard me, in all my ways. Because He loves me and I am His.
8. Feet Shod with the Gospel - The Word (Jesus and the bible are both the Word)
As we shod our feet to the clear understanding of the love and gift of the gospel, undeserving but freely given. To know Jesus is to lead and help you at all times, day and night. To walk with you and talk with you as an intimate friend yet He is also the most-high God. This is the hour to do the good works prepared for you before time began and to spread the good news. Tell others it is time to make a choice to live or die and decide where you will spend eternity. Come join us in heaven for now let us walk the walk on earth and run our race to the end spreading the Good News. Jesus Christ is the Messiah. The Word tells us that wherever our feet step, we fly over or go on with a boat we claim the land for the kingdom and spread Holy Spirit anointing over it. Praise the Lord. The Kingdom is expanding into every spider hole. And all will have the opportunity to receive the Lord as their Savior.
9. Helmet of Salvation is to protect your mind. The mind of Christ. To let you know that the enemy will try to steal the word and revelation as soon as you get it. Don't let him. Seal it to your mind with a prayer. Some people feel that the helmet of the knowledge of salvation is where it stops. Others think it is where it starts and ends. It is at the end of this list for a reason. You get the hug from Jesus and then the understanding and then your mission will come from that knowledge. This armor is Jesus' (arms) around you visible and invisible. And it will stay with you all the days of your life. Learn ways and visit His temple in you. Nurture your relationship with Him. It will be well for you all your days.
10. Sword is in your mouth and your pen. It allows you to rebuke the enemy of our soul. To decree, declare and prophesied to all even the rocks. It is important to stand up to evil. In the name of Jesus. Learn this through the Holy Spirit's guidance. Ask him many questions and expect an

answer. Stand on the word of the Lord. Hold it in your heart and it will come out your mouth as a sword. For what is in your heart will come out your mouth. For example, fear you are a liar, be gone in the name of Jesus. We were given an interpreter, in the engagement ring, of the Comforter. The Holy Spirit will spring into action on your behalf for any request at the drop of a hat. The Holy Spirit will speak to you in countless ways if you are looking for it. The Sword of the Spirit is a double edge sword, ready to heal and kill, to loose and bind, to cut through evil and expose Truth. We must use these tools that God provided us. We must believe the promises of God over and doubt. As we drink to our fill, the abundance of the living God wraps around us and solidifies our awareness of his temple within us. We realize that we are not waiting on Him but He is waiting on us. We need to take the shackles off ourselves and do our good works for the kingdom. Through the Holy Spirit and the Resurrection Power of Jesus you can do anything He asks you to do. With this armor and Jesus, you are ready, equipped and more than able. Don't do it on your power but with His power and you will be successful. Praise is a weapon Praise the Lord always.
