

ARMOR UP

For culture conversations

Reflections on where you stand on the cultural issues of today.

This is a document to stimulate your understanding of 3 aspects of the issue so you are armored up and can think for yourself. It is not to heal your friend.

Assisting Homosexual and Trans to Look to Christ

Created in God's image and likeness, male and female, our sexuality is a gift from God that we give back, in love to Him as a prayer. Unity in the bonds of marriage male and female joined with the love yoke of Jesus is the ultimate prayer.

Roman 13 The Day Is Near

11 And do this, understanding the present time: The hour has already come for you to wake up from your slumber, because our salvation is nearer now than when we first believed. 12 The night is nearly over; the day is almost here. So let us put aside the deeds of darkness and put on the armor of light. 13 Let us behave decently, as in the daytime, not in carousing and drunkenness, not in sexual immorality and debauchery, not in dissension and jealousy. 14 Rather, clothe yourselves with the Lord Jesus Christ, and do not think about how to gratify the desires of the flesh.

God is in the process of sweeping out the sanctuaries that have twisted His word and deceived the faithful and the children of God. It is time to clean up and get ready for the revival of all time. The homosexuals and trans are going to be redeemed and set back on their God given destinies. Stand with your family and friends in the walk back to life in that destiny. Love the sinner not the sin.

The enemy of our soul has focused on the weak that don't see their true beauty and destiny in Christ yet. They are confused in the culture not realizing the death of their spiritual being is at hand. Instead of saying I am loved by God they look for others to reinforce their confusion. So, it is best to stand firm and show the sinner, as we all are, love and say no, the culture has manipulated you and deceived you. Look for ways you see that they were deceived. A clear one is below MLK jr.(a) was a pastor and knew that the walk with Christ was free from all debauchery and homosexuality and trans are examples of that. Yet the trans movement have gone after his death and added words and thoughts to his speeches and to his grieving wife's intent.

Ephesians 5

17 Therefore do not be foolish, but understand what the Lord's will is. 18 Do not get drunk on wine, which leads to debauchery. Instead, be filled with the Spirit,

The key is filled with the Holy Spirit as the Lord God will vanquish all evil. No weapon formed against us will prevail. God allows us to be victorious over the schemes of culture to be purified in Christ and then set free to worship Him freely.

- (a) Lifesitenews.com clip: from an article MLK jr. wrote: Your problem is not at all an uncommon one. However, it does require careful attention. The type of feeling that you have toward boys is probably not an innate tendency, but something that has been culturally acquired. Your reasons for adopting this habit have now been consciously suppressed or unconsciously repressed. Therefore, it is necessary to deal with this problem by getting back to some of the experiences and circumstances that led to the habit. In order to do this, I would suggest that you see a good psychiatrist who can assist you in bringing to the forefront of conscience all of those experiences and circumstances that led to the habit. You are already on the right road toward a solution, since you honestly recognize the problem and have a desire to solve it.

NOTE: This is designed for you to get strong and to love. It is **not** designed to hand it to your person. If the person has no desire to solve their problem it may be best to pray that they see it is a problem before approaching the issue. God Bless.

For Churches only: After 55 years of dealing with this issue and having members of my family and in my marriage influenced, I have concluded they are wolves for the most part.

Of course, God is the God of the impossible and wants all to be redeemed. But the idea that a congregation can without extensive training support random people to attend without clear repentance is not a logical step. When God's time is correct these people will be released in mass and redeemed for the anointed beings they are. But until then they are wolves. Drunk on satan as, my husband would say. Hold the line. Clearly God is calling this group in the revival but when? This week or 2 years. How you handle them before He moves and after are 2 different things.

I have spent the last 5 years of reflection on this matter focusing on the children. We must protect the children. I have 17 years of dealing with demon influenced and oppressed people with boundaries issues and emotion and physiological problems. These people are many that way. I have had demon plants in a few of my classes, and a porthole to the second heaven in a home next to mine. We have cast demons off land and out of people. I have personally seen the fickle nature of this group of people and the tendency of suicide and violence. The extensive lying and cheating and harm. A handful of these talked a court into taking our church, all of it and more by less than 5% took decades of buildings a wonderful thriving community in 1 week.

After many years of leading worship at least 5 plus years and 3 years of children's ministries I have seen the harm that can be done by an evil heart. When we were on the vestry for 2 years, we had a register sex offender who clearly repented. But was never left with children or young adults. Was never given a job of authority, never given keys to the building and was loved and appreciated as a member of the congregation.

Mass murderers are only worse than this, group of people. They are corrosive to a society and are fully in the demon doctrine camp. Many of them started out with a weak understanding of their identity and ended up as a tool of evil. The enemy of our souls want them for a reason that have a strong anointing. The liar says "you were a mistake" you were not a mistake.

This is just a warning of the nature of this agenda and its people. I hope you never have to deal with it. My husband was the point of the spear in the fight to be biblically correct. We spent 7 years fighting including in court the Episcopalians for our building and the courts gave it to the Episcopalians. We fought before that to not allow homosexuals into the clergy. We vote 95% against the 5% of evil lovers and it took 7 years. But they basically won in the first week.

I noticed that pastor struggled in the first service to deliver the message but the second time he did so much better. This is a hard real message. With so little time really focusing on the true corrosive nature of the sin nature we lack tools to deal. Many never have been exposed to this but maybe seeing a clerk in the store. I however have reams of history and want to put a strong warning in. I looked at the website mentioned in the sermon and feel that even they are seeing the acholic tendency in this issue. On and off commitment to sobriety the huge amount of support staff you need to work with these cunning deceptive people.

I admire your attempt to work with all people and hope the we can. I do see the revival is happening and we will soon be seeing a flood of wounded people that need tools to see God and to learn the walk. Loving God nature and understanding the schemes of the evil so you can stand and advance, Time to take ground. The time of judgement is here and the goats, wolves and sheep are being weighted. We don't want to come out wanting. It is appropriate the you are getting the congregation ready for this change. May God bless us all.

Story of a Trans Wife

I am writing to say “I love all”. I am hoping to be a light in the darkness. I care about each soul and want to see everyone in heaven at the end. We were all born for a time like this. A time like no other on the earth. We are in the valley of decision. Justice of the Lord is here and now. Don’t be fooled that you can wait anymore. The sifting of the goats, wolves and sheep is here now. Choose. The time is short!

You remember your childhood so well. What sports team are you on? Was it “no shirts” or “shirts”? Just like the sports teams we are choosing for a good life or not. The lines are clearly stated. If you haven’t read the bible lately, I recommend you do.

Your destiny is on the horizon. It is out of your hands’, your destiny is sailing adrift, until you decide God or evil. There is only one GOD. The baal worship of the world is not for the followers of God.

Yes, recently I realized a few of you actually are unaware of the cultural traps that are actually baal worship. So let me mention a few. Porn, fear porn, witchcraft, murder, abortion, trans and the mutilation of children for that movement. Are all baal worship. That is not of God. It is not loving to let anyone think God made a mistake about their lives. Nothing about anyone was or is a mistake! There are only 2 sexes and you are the correct one. God loves you and puts a wonderful destiny in your life if you don’t miss it by getting distracted by the cultural sicknesses. (Biblical references 1)

No one should or can judge another’s sin or stand above God’s judgement. Discernment on how to love someone is an important part of being a Christian. If I discern you are putting your mortal soul in harm, I must warn you. You choose to listen or not. If I see harm to children and don’t say no, I am not caring for them. I am not loving them. I told my son someone was grooming my grandchild. It is his responsibility to discern who and to protect her. He was warned. To be a good father he would have to guard her.

The wolf knows it is a wolf and is unrepentant. You put your child in harm’s way. If you send your child to a foreign country with a wolf and leave them in harm’s way and they come back confused. That one is on you, not the wolf. The wolf will most likely never be redeemed. But of course, that is only God’s to know.

Abortion is baal worship. We look at the Mayans and we say “look at what they did. They left their children’s heads in this cave”. But the womb is a cave, a secret place where mankind is knit together. We leave our children vulnerable for the lack of knowledge. That is baal worship and the legislation of such is an abomination to our God. America is a covenant country and we allowed legislation to murder children in the womb. Each child is loved by its maker God! (Biblical references 2)

Your feelings about abortion are not the issue. The lives of others in and out of the womb and their feelings are. The sacrifice of these children to appease your god is a religion. Only satan is interested in the death of mankind. Your pride and religious belief of demon doctrines, void others' lives. You place your feelings above others' lives and do harm to them thus placing a millstone on your neck. (Biblical references 3)

I am so glad for the forgiveness freely given by Jesus. I too have made many mistakes. I have repented and asked for forgiveness. Against the loving advice of my parents, I married the wrong man. I did not ask God if he was right for me and I lived through 20 years of demonic hell on earth. So many broken promises. So many lies. And I had a single child through him. I repented to that child and found myself in a place where that child is also very confused, especially about God's love for him and his child.

At 18 years old I married wrong. My ex-husband was abused as a child and that satanic ritual abuse was never healed. He lied about it and did not tell me until we were married for 6 months. Being a godly woman, I felt that the commitment I made, lies or not, needed kept. I saw no way out. We went for very many years to counseling as a couple. At that time gender-dysphoria was a disease and was not placated. It was clear that he was not just a cross-dresser but a trans. He was emotionally and mentally ill. He was unstable. He went on to come out when my child was 21 years old and it was very harmful to all of us.

The collateral damage to the family is never spoken about in the time of progressive weaponization of the Marxist movement to destroy God, family and futures. The wolves sell their souls for power and pleasures of earth culture, not for good. I hear through others that my x is still as miserable as ever. The 76 years of pretending did not make him happy. Nothing ever will until he accepts Jesus in his heart and turns from his evil ways.

Time and time he convinced us that he was well. Even to the point, I believed he was healed; so, we conceived a child. Only to have that relapse 6 months after the baby was born. My counselor convinced me not to divorce him until the child was 12. So, it was. With continued off and on relapse, I divorced him when my child was 12 years old. Only because of my love of the Lord, did I make it through that hell.

The collateral damage to the family is never spoken about. Only concern about the "poor victim." That is not social justice nor inclusion; it is sick people not knowing the wonderful fulfilling identity that was designed for you before time began. As sovereign beings, we need to know our boundaries. We need to stop putting limitations upon ourselves. Limitations like: I am not pretty or handsome enough; I am not thin enough; I am not smart enough; I am not loveable; No one hears me; No one likes me; I will never be rich; I will never get well. All limitations that are with lack of understanding of our loving God.

We cannot put limits on our God. He is the God of the impossible, just ask and believe. All evil was destroyed in 33 AD. When Jesus conquered hell. We choose to take the mantle of victim or victor. I am a victor. Even though I could have been called a victim of a man 10 years older than myself, I was not.

After the divorce, God gave me a wonderful man. I tried to run from him, until God made it clear he was chosen for me. More than 25 years later I am beyond grateful for the marriage. Having lived in both worlds for decades I have a clear understanding of the 2 ways of marriage. Marriage in hell and in heaven on earth.

Just to be clear, there is only marriage through the hand of God Himself. Not religion nor government. We worship God, not the government. Our churches are not all worshiping the God of Abraham, Isaac, and Jacob. Some are clearly worshiping the spirit of "religiosity". That too is not of God. I once heard a preacher say if you claim to be a Christian but did not submit to the authority of Jesus and Holy Spirit you are not a Christian. I am not so sure of that. But it does show the level of maturity you have in your walk with our God when you clearly understand that concept.

The wolves know the demon doctrines of their religion of victimism to destroy the core tenants of God's ways by half-truths and deceive even the elites of the church. They want to devour you and your authority as sovereign, loved children of God. Your identity is I am loved, I am cared for, I am well, I have a beautiful future. I can be delivered from this hell on earth by Jesus. Ask Jesus into your heart and read the bible to find your joy in your true identity.

I know I am a beloved daughter of the most high God of all and all. I am provided for and God has a pro-(vision) of my future. I walk in trust of the Lord's loving hand in my life and I witness miracles all the time. He walks and talks to me during the day and the night. He never forsakes me and I am never alone; because I feel His presence. Praise God for a glorious identity and great fruits to show His faithfulness to me. Joy, peace and love. I hope this is for you too.

So those of you calling me names, It will not hurt me; I know the truth. This agenda is evil to the max. No name calling will cause me to give up my Jesus; my savior; my healer; my deliver; my God. No fear porn will cause me to comply. No threat of death will change my mind. I have already been through it all. I will be heard and seen as a warrior of the most high God. I will say no more baal worship. I will not be guilted or shamed into lying about the truth that this evil agenda is wrong. My family clearly knows my stand and it has not changed but to see the love of God for all, always. They still demand I comply. I will not. I don't come and pressure them often, I leave them alone most of the time. But since they are once again bringing it up and pressuring me, I must speak to the evil. I do hope to save their souls and see them too in heaven with God's blessings.

Now we in the churches need to reform, refine and restore the ways we have lost. The shepherds of the churches are being shown for their decisions.

Wolves like the Episcopalian and the Methodist are finding God is not happy with them pretending they are little g (gods). Hell is shaking ready to receive them.

The goats are lost like the new age people that find no joy in life. Worshiping false gods that are rocks in the sky and on earth, that the true God of the universe made for a clock, not to worship.

Then the sheep, biblical steadfast ones, are finding it hard to find a church that is totally true to God's ways. They know the gates of hell will not prevail. The shepherds are shaking as they deliver a message on the harms to the souls of the congregations, for fear of losing their tax status or their people. Not worrying first about their souls.

Seeing a child cutting themselves is a clue that that child has a broken identity and is having issues seeing the truth. The enemy of our souls is rejoicing in the cutting of your child because he has won that soul. It needs to stop. Enough is enough. No more baal worship. No more children destined to live an eternity in hell.

The shepherds need to reform, refine and restore the ways of Jesus. No negotiating. No confusion. No fear. Just the truth. Hold the line and stand.

Remember it is about the children! Freedom that never tasted so good. God's ways and precepts. Enough is enough, it is time to take back all our symbols that were stolen. To take back our families that were deceived. To set a course for our God given destinies. To free our country. To turn from all baal worship. To pull down strongholds and shred each and every platform and destroy all evil on the planet, through prayer. To see it as it is and not a corrupt dream of evil. Evil is a loser!

The days of Haman are here and evil will be falling very soon. Are you dooming your children because you never stood up and said, "No, follow Jesus. No, don't mutilate yourself, you are perfect as you are. Don't take my grandbaby to a drag queen show." The angel of death has been released into the earth, so make your choice now before it is too late. There are so many scriptures in this letter I cannot make Biblical references of all of them. Please look them up. (Biblical references 4)

We will see the justice of the Lord in our times. Very soon! Repent and prepare.

We love the sinner not the sin. So, all sheep and goats that want to be freed come and get help to love yourself. Like the alcoholic admits you are lost and failed and come to be redeemed. Post trauma is going to be great. Those of us who are going to be needed to assist people in healing with the ways of God and be clear and stand for the truth. Need to get ready the flood of hurting souls is coming your way now. God has the long game, Eternity.

So, if anyone is still unclear where I stand then, read the bible I stand with the bible. I do hope this is edifying to someone out there besides myself. Blessings and praise God.

Deuteronomy 18:10

Let no one among you offer his son or his daughter as a burnt offering, or practice divination, or interpret omens, or practice witchcraft,

1 Samuel 15:23

Rebellion is like the sin of witchcraft, arrogance like the evil of idolatry. Because you have rejected the word of the Lord, he has rejected you as king.”

Romans 1:16-17 and 24-25 The Gospel of God

16 Power of Salvation for All Believers. For I am not ashamed of the gospel, since it is the power of God that offers salvation to everyone who has faith—to Jews first, and then to Gentiles as well. 17 In it the righteousness of God is revealed, beginning in faith and established in faith. As it is written: “The one who is righteous will live through faith.” 24 Therefore, God abandoned them in the sinful lusts of their hearts to impurity and the mutual degradation of their bodies. 25 They exchanged the truth of God for a lie and offered worship and service to the creature rather than to the Creator, who is blessed forever. Amen.

Genesis 1:27

So God created humankind in his image, in the image of God he created them; male and female he created them.

1Kings 16:20-33 King Ahab Introduces Worship of Baal into Israel

29 Ahab, son of Omri, began to rule Israel in Asa's thirty-eighth year as king of Judah. He ruled for 22 years in Samaria. 30 Ahab, son of Omri, did what the Lord considered evil. He was worse than all the kings who were before him. 31 It wasn't enough that he committed the same sins as Jeroboam (Nebat's son). He also married Jezebel, daughter of King Ethbaal of Sidon. Ahab then served and worshiped Baal. 32 He built the temple of Baal in Samaria and set up an altar there. 33 Ahab made poles dedicated to the goddess Asherah. He did more to make the Lord God of Israel furious than all the kings of Israel who came before him.

Deuteronomy 28:15-16 23, 45, 61, Curses from the Lord

15 Obey the Lord your God, and faithfully follow all his commands and laws that I am giving you today. If you don't, all these curses will come to you and stay close to you: 16 You will be cursed in the city and cursed in the country. 23 The sky above will look like bronze, and the ground below will be as hard as iron. 45 All these curses will come to you. They will pursue you and stay close to you until you're destroyed, because you didn't obey the Lord your God or follow his commands and laws, which I'm giving you. 61 The Lord will also bring you every kind of sickness and plague not written in this Book of Teachings. They will continue until you're dead.

Psalms 139:13-15

You alone created my inner being.

You knitted me together inside my mother.

14 I will give thanks to you

because I have been so amazingly and miraculously made.

Your works are miraculous, and my soul is fully aware of this.

15 My bones were not hidden from you

when I was being made in secret,

when I was being skillfully woven in an underground workshop.

Hosea 4:6

My people are destroyed for lack of knowledge; because you have rejected knowledge, I reject you from being a priest to me. And since you have forgotten the law of your God, I also will forget your children.

Psalm 91:7-8

Esther 9:13-14

13 Esther said, ‘If it pleases the king, let the Jews who are in Susa be allowed tomorrow also to do according to this day’s edict, and let the ten sons of Haman be hanged on the gallows.’ 14 So the king commanded this to be done; a decree was issued in Susa, and the ten sons of Haman were hanged.
